### Jubilee Day

To celebrate the Queen's Platinum Jubilee, commemorating Queen Elizabeth's 70 years of service we held a mini street party at Bright Futures School. Pupils and staff made decorations and tea party food for the event.

Lucy-Grace and Jayden with a commemorative plaque.

Karen and Harrison planted a special plant to mark the occasion.

It was lovely to eat together outside.

Lucy enjoyed the day.

Decorating school.

Oliver, Lucy-Grace & Jayden decorated cakes.

## Forest School

Lucy-Grace and Katie are encouraging Rory to independently use the rope swing.

Cameron and Harrison are using a flint to start a fire, learning outdoor survival skills.

Linzi and Rory toasting marshmallows on the real fire. Lots of fire safety talk.

## Cows in the top field!

Pupils enjoyed seeing the beautiful calves at the top of the school field. The calves were very curious to see us all. It was really lovely for pupils to get close and feed them grass from the hedge.

## Jodrell Bank

For this Terms topic we have been learning about space and for our end of year trip we went to visit Jodrell Bank.

The Lovell Telescope, was the world's largest steerable dish radio telescope, 76.2 meters (250 ft) in diameter, when it was constructed in 1957.

Rory controlling the virtual telescope to look for life in space..

Rory and Lucy-Grace inside a space bubble exploring being a space engineer.

**Friday PE** For PE this Term pupils have been Cycling or Horse Riding.

Thank you to Caroline at Holly Bank Riding School for the fantastic sessions.

Thank you to Gary and the team at Active Tameside Cycling circuit.

### St Agnes Primary School visit

Several children from St Agnes Primary School and their support teacher came to visit BFS recently. They and the whole of their Year 4 class, had taken part in a business challenge, in which the children had to design and make a product to sell and all the profits go to support a charity or community project. Their product this year was a sensory dough and they wanted to support children with autism and chose Bright Futures School. The children had a good look around the school (and were suitably impressed) as well as meeting pupils and staff, then talking to Alison about their project. They have subsequently marketed and sold all the sensory dough and we are awaiting details of how much money they have raised.

### ASDAN

Harrison made this amazing clock as part of his ASDAN work

### Congratulations Oliver!

We are so proud of all the hard work Oliver has put in this year to achieve this. He has shown excellent skills in the kitchen, he works tidily showing good safety and hygiene and has produced some very high quality food. Jenny is sure Oliver has a bright future as a baker or a chef and looks forward to an invite to his restaurant.

### Dates for the diary:

**Wednesday 20th July Open afternoon 12pm -2.15pm Bingo 1pm**

**Last day Friday 22nd July**

**Returning Wednesday 7th September**
