## Art news.

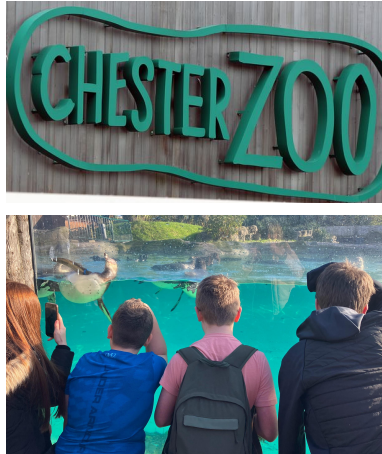

Lucy E painted lots of pictures and Jo collaged and embroidered all these pictures to produce a fantastic pumpkin which is on display at The Veg Lord in Mossley.

### School trip.

This term the whole school visited Chester Zoo for our Endangered Animals topic and everyone had a good time. We went to see the penguins which are usually found in the Antarctic. Chester zoo works hard to conserve animal species. Rory loved seeing the monkeys.

### Remembrance visit to Uppermill.

Poppies are a symbol of remembrance.

Oliver and Freya by the war memorial.

Freya made a wreath to remember the soldiers.

### Oliver's Celebration cake.

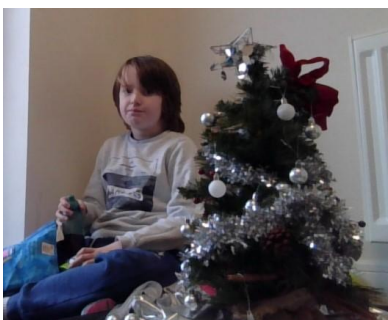

Oliver made a delicious victoria sponge cake with butter icing as part of his challenge towards his ASDAN Bronze award.

His theme for his celebration cake was bonfire night whereby he used fondant icing and chocolate to make his bonfire. He particularly loves the puddles because as you know it usually rains on bonfire night! Well done Oliver, We hope you enjoyed the celebrations.

### Christmas at Bright Futures School.

Brooklyn decorated his own tree in his room. We look forward to seeing parents and families on Wednesday the 14th of December for our Christmas afternoon.

## Jayden's work experience.

Jayden has been busy this half term learning about different work environments and visiting lots of new places to see what they do.

Aimee Belmore, Editor in Chief, at **Saddleworth Independent** Newspaper came into school to meet Jayden and explain the newspaper industry. It was interesting to hear about Aimee's journey as a journalist and the owner. This was Aimee's last task as Editor in Chief. We wish you well in your new venture! Thank you.

Here Jayden met Cassandra Poll, Digital and Channels Lead and Liam McCallion, Communications Officer, at **Oldham Council**. Jayden was able to hear all about Cassandra and Liam's role and the work they do for the Council. The new offices in Spindles Shopping Centre were very impressive and really interesting to look around.

Jayden visited **Robert Scott** and met Howard Meadham, Production Manager, to discuss job roles within the company. Howard showed Jayden around the mill and explained all the processes they undertake. The visit will help Jayden explore the 'world of work' as part of his Employability Skills Development ASDAN sessions.

## PSHE.

In our sessions we have been looking at food banks and have started a reverse advent calendar. We are asking for donations from each pupil's family. We hope you can help.
