

Every family matters, every moment counts

Bright Futures School Newsletter

February 2023

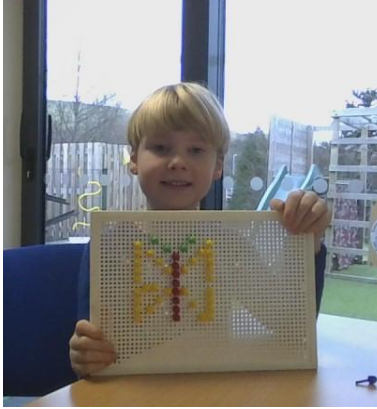

www.brightfutureschool.co.uk

Christmas 2022 - This Christmas we went to see Robin Hood at Oldham Coliseum and had our Christmas Open Day. For our last day of term we went on a Winter walk around Dovestones before the festive holidays. Pupils also received Christmas gifts from Santa and his little helper!

Every family matters, every moment counts

Elias and Kristian are the youngest and newest members of our Bright Futures family. We are all so proud of how well they have settled into school life. Elias enjoys being outside, playing on the climbing equipment or in forest school. Kristian likes making smoothies and being creative. What a super start to your school journey.

Hedgehog Sanctuary Visit - This Term Oliver and Lucy-Grace went on a visit to Hog Manor in Delph. They did this for their ASDAN work on animal care.

Lucy - Grace said,
"I liked the calm ones like Elaine. I held her out in front of me".

Louise said,
"The two hedgehog brothers grumpy Stardust and nice Ziggy were very different".

Oliver said,
"This is Feisty the Hedgehog. When I was petting him he was jumping all over me".

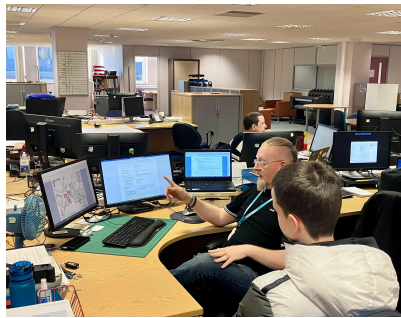

Every family matters, every moment counts

PE - this term pupils went to Jumparooz in Ashton and younger students went to Oldham Leisure Centre. The younger students were learning about water safety and basic swimming skills. The students at Jumperooz were working on balance and core strength. Everybody had a fantastic time!

Jayden Work Experience - This term Jayden went to visit different places to get a taste of life in the world of work.

Jayden enjoyed his visit to the Boat House Cafe, Alexandra Park where he met Manager Jill Kendall. It was interesting to learn about the different roles within the cafe and Jayden even got to serve ice cream and eat it.

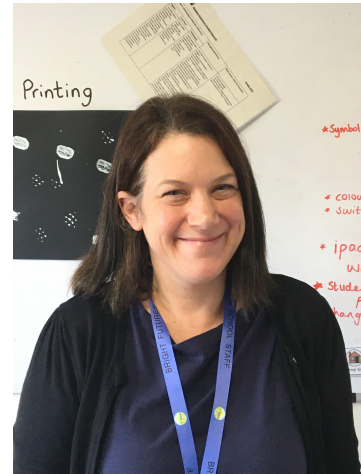

Jayden had an interesting time with Oldham Council Officers who explained their roles with Highways Maintenance Services. The service covers a huge range of civil engineering projects.

Roadworks Site visit in Bardsley. Jayden met Construction Technician (on-site Manager) Chris Mackay, He explained the machinery / plant and described the processes involved in laying new roads.

Every family matters, every moment counts

A big welcome to our new staff Jody, Eppie, Angela, Ginny
and Hannah
Who have all joined us over the last few months.
