

Every family matters, every moment counts

## Bright Futures School May 2023

[www.brightfutureschool.co.uk](http://www.brightfutureschool.co.uk)

King's Coronation Party - Hip Hip Hurray! Long Live King Charles III. We had a brilliant party to celebrate the King's coronation. We set up outside hoping the weather would stay nice but weren't put off when we had to get out of the rain. There were games, sweet treats and plenty of laughs. Thanks to our superstar DJ's Jayden and Lucy for providing the music.

Independent Living - This Term pupils worked hard on their transport training. They took the local bus and even a train ride as part of their ASDAN units.

PE - Students have enjoyed both cycling and horse riding this term. Those students that went horse riding at Holly Bank Farm rode the same horse every week and improved on their skills doing walking and trotting. The students who went cycling this term went to Tameside Cycling Track in Ashton. Pupils improved their cycling skills, rode different types of bikes and had lots of fun.

Litterpick - Here at Bright Futures we really enjoy contributing positively to our community. This half term we did a litter pick around school and the local area. Everyone joined in despite the rain! and everywhere looked much tidier for it.

Work Experience - Jayden met Deputy Centre Manager Heather Robinson, who provided us with a warm welcome to the RSPCA Animal Centre in Rochdale. Heather explained the various roles undertaken by staff within the Centre and how they support the important ongoing efforts of the Inspectors within the area. The role of the Centre is to take in animals from RSPCA inspectors to rehabilitate them and get them back to full health ready for finding new homes. Heather commented -Thanks for coming. Jayden enjoyed it, he seems like a lovely lad! Had some really relevant questions, thanks so much.

Autism awareness day - The students were decorating puzzle pieces for autism awareness so we can decorate part of the kitchen with them. The puzzle piece signifies the complexity of the autism spectrum while the ribbon represents the diversity of the individuals with autism and their family. Students also decorated cupcakes with rainbow colours. The range of colours inside the rainbow represents to scope the abilities and diagnoses on the autism spectrum.

## Dates for the Diary

School reopens on Monday 5th June and closes on Friday 21st July  
School Summer BBQ Everyone Invited - Tuesday 18th July
